

POWERMOUNT™ **SYSTEM**

Included With Every Vertical PowerOptions™ Power Strip!

- **Full length mounting bracket accepts ALL styles & sizes of Vertical PowerOptions™ power strips**
- **Easy to install/reposition**
- **180 degree swivel**
- **Reduces bends in cable**
- **Add power as you grow**
- **Multiple circuits in minimal space**
- **Easier to cable**
- **Shortens pass cord length**
- **Improves air flow by removing cable from the air path**
- **Secure installation**

PowerMount™ shown with EPV17; swivels up to 180 degrees

Sizing Guide for the PowerMount System™

Pioneer
